We had 3 ribbon cutting ceremonies this month to celebrate the openings of new businesses in Bremen! Those companies were Top Coat Nail Salon, DIY Health & J&S Appliance that has moved to a new location in the plaza. We are waiting to hear from Skiles Automotove, Uptown Ink & the Bremen Movie Theater that (has new owners) to see what time & dates are best suitable. Please welcome these new companies & support our local community!

We had 72 members sign up for the Chamber which is about 50% of our local companies, which is an outstanding number! The average is sign ups run 30-40% in most of our other communities. We hope to have more next year!
