THE HISTORY OF THE  
CITY OF BOSTON  
FROM 1630 TO 1800

The city of Boston, founded in 1630, has a rich and varied history. It was the first permanent English settlement in New England, and its growth was rapid. By 1700, it was the largest city in the colonies, and its influence was felt throughout the region. The city's history is marked by significant events, including the Boston Tea Party, the American Revolution, and the Civil War.

The city's early years were marked by hardship and struggle. The settlers faced a harsh winter, and many died. However, they persevered, and the city grew into a thriving community.

The city's growth was fueled by trade and commerce. It became a major port, and its ships sailed to all parts of the world. The city's economy was based on the shipping of goods, and it became a center of trade and commerce. The city's growth was also fueled by immigration, as people from all over the world came to settle in Boston.

The city's history is also marked by its role in the American Revolution. It was the site of the Boston Tea Party, and the city was the center of the revolutionary movement.

The city's growth continued into the 19th century. It became a major center of industry and commerce, and its influence was felt throughout the world. The city's history is a testament to the resilience and spirit of its people.

The city's history is a story of growth and change. It is a story of a city that has overcome many challenges and emerged as a major center of industry and commerce.

The city's history is a story of a city that has been shaped by its people. It is a story of a city that has grown from a small settlement into a major center of industry and commerce.

Mr. Leeper made a motion to approve the Department Head Reports, which was seconded by Mr. Graverson and carried by a vote of 4 ayes, 0 nays.

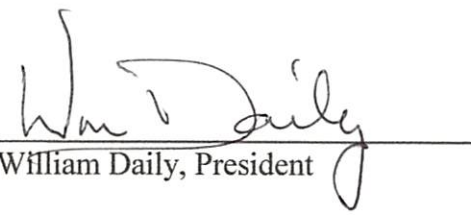

**TOWN ENGINEER:** Ken Jones appeared on behalf of JPR and told the Council that the bids had been mailed out for the Plymouth Street water main and service line improvements. He noted that only five laterals needed to be replaced after the recent video inspection. Mr. Jones gave the Council a status update on the lift station improvement project, and told the Council the Storm Water Board would be meeting to discuss the Alexander Street project in the near future. Mr. Jones informed the Council that the Community Crossing and Parke View sewer projects were under contract, and he distributed a proposed scope of employment for the north Center Street project.

**COUNCIL COMMENTS:** Mr. Leman asked Mr. Mikel and Mr. Weldy questions about the flooding on Collier Street that was discussed at the recent BZA meeting. Mr. Mikel explained that he was planning on installing more catch basins in the area, but that the project could be funded through the Community Crossings program if it could wait one more year. Mr. Jones discussed JPR's role in reviewing the plans as well.

**ADJOURNMENT:** Mr. Leman made a motion to adjourn the meeting, which was seconded by Mr. Leeper and carried by a vote of 4 ayes, 0 nays.
