## Bremen Residents:

We have received word from our trash service provider, Republic Services, that “due to the strain on the waste industry, we request to suspend Bulk pickup and any bags outside the tote starting immediately (3/30/20) or as soon as possible. With the Stay at Home enforcement that is in place for the State of Indiana, we have experienced a substantial increase in the weekly trash pickup”.

What this means to each of us at this point is that you will no longer be able to call for large items; such as couches, mattresses, etc., to be picked up for the extra charge and that you will not be able to have any bags outside of your trash tote.
